Apeejay Stya University — Management

Internal approval · demo specimen

Ref: ASU/MGMT/DEV/2026/017

Date: 15 October 2026

To

Legal Department
Apeejay Stya University

Subject: Approval of rate deviation for a channel partner

With reference to the request from Kavya Iyer (Business Development) for the channel partner below, management approves the following non-standard commercial terms for this agreement only. The master rate card is not changed.

Channel partner	**Sunrise Education Services**
Institution	**Apeejay Stya University**
Agreement	**AGR-ASU-2026-XXXX**

ITEM	STANDARD	APPROVED
Engineering · 1-10 admissions	₹16,000	**₹18,000**
Engineering · 11-15 admissions	₹19,000	**₹21,000**

Reason: The partner has an established engineering referral network in Gurugram and a competing offer from another university. A higher rate on the first two slabs secures exclusivity for the coming admission cycle.

This approval is valid for the agreement named above and is subject to Legal review of the deviation in the CP Onboarding app.
